# Choosing your business printer has never been easier

Keep your office running smoothly by choosing a colour printer designed to support. This quick and colourful range combine all your office needs in to a single cost-efficient device, with a host of features and functionalities aimed to support you in your day to day role.

The whole colour range benefits from a large 250 sheet paper tray meaning you can keep printing for longer. You can also save time and costs by choosing the high yield cartridges printing up to 3,000 pages\* for maximum productivity and lower cost per page.

Bring your documents to life in full colour while keeping energy usage down and operating sound levels low at 47dB - quieter than your daily office conversation.

# You take care of your business...

while we take care of your printing

Don't be left without your printer when you need it most. We promise you total peace of mind with Brother's Managed Print Services.

Never run out of toner again, as we will order and deliver your supplies just when you need them, reducing downtime and maximising productivity. You can also be in full control of your print, by tracking usage while keeping an eye on print-related costs.

We understand that in business every second counts, and with our break and fix options, your machine will let us know when it needs repairing meaning we can respond quickly and reduce any downtime.

Your time is valuable, spend it wisely. Let your print look after itself with Brother At Your Side.

## No need to order toner

Never run out of toner again, with our Managed Print Service (MPS) we'll take care of the ordering, delivery and even recycling of your old toners, meaning you can spend your time on running your business.

## No waiting for repairs

Our At Your Side support means you don't have to deal with long periods of downtime. We'll respond quickly to any faults and provide professional support, so any impact on your business is kept to a minimum.

## No worrying about spending

We know that visibility is key when it comes to budgeting for print. With our intuitive online portal, you can find a full breakdown of all your costs, as well as reporting on the way you spend. So you can stay on top of your usage at all time

## Working with you for a better environment

We take our environmental responsibilities seriously, and encourage our customers to do the same by sending us your used Brother ink and toner cartridges for remanufacturing at no cost. We assure you that absolutely nothing goes to landfill and empty cartridges that cannot be reused will be recycled.

In return, Brother donates to rainforest-saving charity Cool Earth. With our support, the charity has saved over 7,000 acres of rainforest from destruction in Peru and Papua New Guinea, protecting a wealth of biodiversity and empowering villages to keep their homes intact. Let's continue to minimise our impact on the environment.
